

PUBLIC RESOURCES CODE

SECTION 30940

30940. The board may award grants to public agencies or nonprofit organizations for the purposes of improving agricultural water quality through monitoring, demonstration projects, research, construction of agricultural drainage improvements, and for projects to reduce pollutants in agricultural drainage water through reuse, integrated management, or treatment. Grants made pursuant to this section may be used to provide matching funds for federal grant programs. The board, in consultation with the Department of Food and Agriculture and the program advisory review board established pursuant to Section 593 of the Food and Agricultural Code, shall develop criteria for evaluating projects considered for grants under this section.
